

STEAL WOOL

FADE IN:

EXT. HILLSIDE - DAY

The valley appears peaceful and serene in the morning hours. A whisper can be heard from the stream as the water lazily follows the path it has carved across the land. The soothing sounds occasionally hushed by a slight breeze as it rolls off the mountains washing over the grassy plains like an ocean of green waves across the hillside. A large moss covered rock hides in the shade of a large tree. A little girl sits on top of the rock while a small flock of sheep graze and baa with content all around her.

CUT TO: CLOSE UP - SHEEP GRAZING

The sheep happily graze the lush grass, blissfully unaware of even the other sheep around them.

RETURN TO SCENE:

A shadowy figure quickly approaches the flock from the hills behind their small protector trying to avoid detection.

CUT TO: CLOSE UP - GIRL

Her eyes closed LIL' BO PEEP appears to be sleeping on the job as the danger to her flock grows closer.

CUT TO: CLOSE UP - DER EVIL MONKEY

The dark figure reveals itself from behind the cover of the rocks. DER EVIL MONKEY emerges from the shadows with a devious grin and a large sack over one shoulder. In a silent flash Der Evil Monkey jumps out and snatches his first victim throwing a helpless sheep into his sack immediately followed by another. Der Evil Monkey moves on to gather more sheep when he is startled by the site of their protector and abruptly stops.

INSERT POV: DER EVIL MONKEY

Lil' Bo Peep appears to not have seen the Der Evil Monkey as he looks on in bewilderment.

RETURN TO SCENE:

Der Evil Monkey's concerns grow as the sheep he has already stolen baa with panic. Der Evil Monkey tries to quiet them when he spots his real prize. He grabs his bag and quickly sneaks through the flock. As he approaches the little lamb Der Evil Monkey loses control of himself dropping his bag in order to feast upon the little lamb right then and there. Der Evil Monkey leans in closer his mouth overflowing with saliva in anticipation of the tasty morsel before him. Just as the Evil Monkey is about to take his first bite he is struck in the jaw by a large rock. Reeling from the attack Der Evil Monkey tries to focus on his attacker.

CUT TO:

Lil' Bo Peep stands on top of her perch tossing another rock in her hand.

CUT TO:

Der Evil Monkey jumps up and down in a rage after realizing that she is the one that spoiled his feast by hitting him with that rock.

CUT TO:

Lil' Bo Peep charges forward tossing the rock into the air. Swinging her staff like a bat, she makes contact with a loud crack sending the rock through the air. A perfect shot the rock finds its target nailing Der Evil Monkey once more in the face sending him end over end into the dirt.

CUT TO:

Lil' Bo Peep leaps through the air from her perch her staff ready to strike as Der Evil Monkey sits up and starts to regain his bearings. Before he can regain focus Lil' Bo Peep brings down her staff and crushes it against Der Evil Monkey sending him clear through the air before he crashes into the hard ground once more. Der Evil Monkey sits up with a giant lump on his forehead. He is down but not out and with a new resolve he pushes the lump back into his head and charges forward ready to fight Lil' Bo Peep to the end.

Der Evil Monkey engages Lil' Bo Peep with a right. She dodges it as he comes at her again pressing forward with a powerful left. Lil' Bo Peep leaps into the air and flips backwards avoiding Der Evil Monkey's attacks with ease. Unable to hit her, Der Evil Monkey looks at the sheep around him and gets an idea. He picks up the closest sheep to him and throws it at her full force. Lil' Bo Peep dodges the flying sheep while Der Evil Monkey picks up more and sends them one after the other towards his foe.

Lil' Bo Peep leaps into the air stepping from one flying sheep to the next gaining ground on Der Evil Monkey as she prepares to counter strike. Looking as if she is going to strike him again Der Evil Monkey gathers his resolve against the impending attack. At the last moment Lil' Bo Peep leaps up off the last sheep high into the sky drawing back her staff and gathering her strength.

CUT TO: DER EVIL MONKEY

Der Evil Monkey looks up at Lil' Bo Peep in desperate fear.

CUT TO: LIL' BO PEEP

The sun at her back Lil' Bo Peep uses the force of gravity to increase her power as she dives toward the Evil Monkey crying out for blood. Surrounded by energy, Lil' Bo Peep looks like a meteor as she heads full speed towards her target and strikes with an incredible force.

CUT TO: OUTER SPACE

A tremendous explosion erupts from the earth.

RETURN TO SCENE:

Lil' Bo Peep stands atop a mountain of rubble as the dust clears and Der Evil Monkey lies broken and burned on the ground below. Lil' Bo Peep jumps down from the pile of rocky destruction into the crater left by impact and approaches the defeated Der Evil Monkey who is still smoldering after her attack. The sheep gather around the rim of the crater and look on as Lil' Bo Peep addresses the fallen Der Evil Monkey, her voice barely above a whisper.

LIL BO PEEP
You've been a bad little monkey
and bad monkeys go to Hell.
