

PIZZA

INT. ROOM – MID DAY

A lone PIZZA wearing rubber galoshes stands in the middle of a round room with a smooth stone floor. The back wall has bars on it but is blocking a metal door. It rocks back and forth looking around the room curious about its surroundings.

NARRATOR

This. Is. Pizza.

The pizza turns to look at the camera.

NARRATOR

There are many different kinds
Of pizza, but this...

NARRATOR

Is a simple Pizza known as
PEPPERONI.

Pepperoni smiles at the audience, raises his arm and waives it enthusiastically.

PEPPERONI

Hi.

The Pizza puts his arm down, laughs and goes back to trying to figure out what he is doing in the room.

With the right ingredients.

The Pizza's attention shifts to the narrator and the audience and points drawing its fingers down its body.

NARRATOR (Cont.)

Pizza can be the perfect food.

The Pizza flexes and grunts to show the audience how strong he is. Then laughs as he lets out the pose as a gate opens behind the Pizza.

NARRATOR

Wood fired at over four hundred
degrees.

Pizza feels the heat behind him and looks back at the flames behind him. A door with a large window closes in front of the Pizza as the flames rise.

NARRATOR
A medley of flavor baked into
a simple culinary masterpiece.

The Pizza pounds on the door a few more times as the flames grow. The Pizza screams and wails, as it grows dizzy, trying to remain standing. As it drops to its side the Pizza begins to fold in on itself.

NARRATOR
This. Is. Calzo...

The Pizza flops open and lays flat on its back. One of its legs twitches and then flops to the side. The Pizza takes its final breath and then stops moving.

NARRATOR (Cont.)
...wait. No, no.

A large tube descends and covers the Pizza blocking it from view. Its arms and legs are removed as the tube splits and pushes the extra parts into the fire. A little bit of sauce drips off the blades as the tube vanishes from view. The door opens and a pizza peel goes in to take the fresh pie.
